

Special Interest Clubs in GHI

Would you like to get together with other GHI members to pursue a special interest together?

The Member Outreach Committee wants to encourage the formation of Special Interest Clubs in GHI as a way to help people get to know one another in relaxed, enjoyable settings. Perhaps you're interested in crafts like knitting and sewing. Maybe you like to read science fiction or biographies. Are you interested in connecting with others who share your passion for photography? The topics are limited only by your interests!

Clubs would meet in members' homes, and can meet as often as members would like. You plan the program and schedule. GHI will help you get the word out about your clubs so that new members can have the opportunity to join.

If you are interested in forming such a club, please fill out the form below and return it to:

Member Services, GHI Office, 1 Hamilton Place

Name _____

Address _____

Phone _____

Email _____

I am interested in the following topics (circle all that apply):
